

Dear

Welcome to the West Sussex 'N' Gauge MRC (incorporating the West Sussex Area Group of the 'N' Gauge Society). I hope the following information may of interest to you if you are considering joining the group:

- The group meets on the first and third Friday of each month commencing about 7.00pm at Sompting Village Hall, West Street, Sompting (Nr. Worthing).
- The yearly subscriptions to join the group are for either individual or family memberships and the costs are shown on the attached form. We also collect £1 on club nights to cover the costs of the refreshments provided.
- On most club nights we have a layout and you are most welcome to run any of your locomotives and rolling stock on it.
- We have our own 'Train Doctor' in the group so if that locomotive doesn't go as well as it did when new then bring it along for repair and refurbishment. DCC advice is available too.
- We do attend exhibitions throughout the year and we are always looking for help, even for the odd hour or so, with/without boards or stock. Please speak to our Exhibition Manager for further details.
- The group has its own shop, which is 'open' on most club nights so allowing the purchase of railway items at reduced prices. We also get discounts at retail outlets as a group so please speak to our Shop Manager for details.
- The group has a book lending library which has various books loaned by members for members use. We are always looking out for more books so please speak to the Library Manager to loan or lend books.
- You may have seen our modular layout at an exhibition but we don't force members to build modules to remain a member of the group. If you want to build a module then, please speak to the Secretary or the Exhibition Manager for details of sizes.
- The group has lots of members who have skills in various subjects from woodwork to electronics and from ballasting to loco building. Whatever the question we may have the answer and whatever our question you may have the answer.
- There is often a demonstration of a particular skill at Club meetings.
- Please visit our website for more information: **www.wsng.co.uk**

I hope that the above information is of some help, but if you need any other information, please do not hesitate to contact me. I look forward to seeing you at our next club night. Please fill in the attached forms and pass them to me at the earliest opportunity.

Yours sincerely,

Roger Miller
Hon. Secretary
